

The LS Industries Monorail Blaster line was designed to meet your finishing needs and production rates. They offer the ability to integrate with other process without the need for additional handling.

**CUSTOMED  
ENGINEERED  
SOLUTIONS!**

LS Industries Monorail Blasters blast cabinet is constructed with heavy-duty manganese with replaceable manganese wear plates for longer life and easy maintenance.

Don't want to waste shot? Get the optional blow off hoses to recycle shot to be used time and time again.

LS Industries SureShot™ blast wheel blasts for a full 360 degree coverage designed for your parts. Has 2 - 24 wheels.
