

SSW STAINLESS STEEL WASHERS

Our Stainless Steel Washers economic line is designed to clean oil, grease, and grime from automotive and industrial parts with ease.

**CUSTOMED
ENGINEERED
SOLUTIONS!**

LS Offers different types of door options depending on size.

Rotating turntable ensures a 360 degree clean on heads, blocks, other engine components, as well as any other parts that are able to fit on the table.

Easy to use controls with adjustable thermostat.
